UNIVERSAL ABSORBENT FLOOR ROLLS (GREY - 34" WIDE)

- For use indoors to replace rental carpets!
- Adhesive backing prevents bunching and movement of carpet.
- Absorbs 8 Gallons (30.25 L) of liquid.
- Made of polypropylene fibers.
- Perfect for high traffic areas.
- Leaves no residue when lifted.

Sold by the foot at just \$3.99 per foot!

This 34" wide SIP (Stay-in-Place) universal absorbent roll is used to absorb most chemical, oils, and water-based spills. Sometimes referred to as sticky mats, these SIP absorbent rolls have adhesive backing that adheres to the floor to prevent bunching. They also have a top layer that absorbs liquids from slippery floors. Floor safety rolls are suitable for heavy foot traffic areas, from hallways to entrances found in factories, work sites, and other facilities.

DURABLE!

**CAN BE
USED FOR
ALL 4
SEASONS!**
